The evacuation of German troops

ces from Yugoslavia, an Ankara

Though apparently reconciled to losing Bulgaria, Germany was regary to remain in the war as a buffer between Germany's southeastern frontiers and Russian forces who have just broken through the Carpathians into Hungarian-occupied Transvivania.

The London Daily Herald said

Swedish reports asserted that Marshal Wilhelm Keitel, supreme com-

mander of the German armed forces, has offered Hungary 10 divislone within the next month to help fend off Russian and Romanian for Joachim von Ribbentrop, German foreign minister, and an SS genwere in Budapest conferring with Premier Doenie Sztojay, it wa

days. There were increasing signs, how ever, that Hungary desired to follow Romania and Bulgaria out of the Nazi camp - One report said labor had threatened a general
